## JANELLE PAIGE BRANDOM

Janelle Paige Brandom is a 26 year old lifestyle blogger, social influencer, host/emcee, spokesperson, and entrepreneur, but her story didn't quite start like that. After working in television news as an anchor and reporter for four years, she decided to venture into the world of marketing and content creation. Janelle has a passion for inspiring other women through her own life experiences; the good and bad. Her goal is to be authentic, positive and motivational on her social platforms while talking about fashion, fitness, health, beauty, faith, travel, advice, and much more. Aside from that, Janelle owns her own content creation company helping businesses bring their company and story to life through video content on social media. Leaving news to pursue her dreams wasn't easy, but Janelle loves what she is doing now and can't wait to see what the future holds. Her favorite quote is, "Never let the fear of striking out keep you from playing the game".

SPECIAL PROMOTION

### Mi Cocina

As soon as I moved to Dallas in 2017 I knew Mi Cocina was going to be a weekly meal. I made sure to visit Mi Cocina every time I came in town since I started visiting my family in 2015. You'll find me here for birthday celebrations, dinner dates, lunch meetings, and drinks with friends. The skinny margarita is my favorite, but if it's a "wild" Friday night you may find me sipping the Mambo Taxi. My go to meal is, fajitas without the tortillas, chips and guacamole, and ceviche.

### Kendra Scott

This is my go to affordable and fabulous jewelry store. I've been a fan of Kendra Scott for years, they have the perfect accessory for every occasion and outfit. I'm all about a simple stud during the day, but for an event, fancy occasion or a night out I love accessorizing with a statement earring. If you glance at my jewelry collection at home it consistent mostly of Kendra Scott, what can I say, I'm addicted.

### Buda Juice

I'm kind of a health nut and love detoxing, keeping my gut health in check, and drinking my greens. I've been a fan of Buda Juice for years, and have done the juice cleanses numerous times. A couple times a month I run over to Buda Juice load up on green juices and hit the road. I love how quick and convenient this location is for a healthy juice on the go.

### Brewed + Pressed

HEALTHY & HEAVENLY YESS!! I'm always on the look out for delicious, healthy, and cute spots in Dallas so when I found this place I was overjoyed. I try my hardest to be dairy free, gluten free, and paleo based and this place has it all. My favorite items are the raw treats, and cold brew with a splash of almond milk. You'll likely find me here weekday mornings with girlfriends after a workout.

### ShopSeptember

This place is perfect for when you're in a bind and need a trendy and fabulous outfit. It's my favorite boutique in West Village. When you go in you're guaranteed to find something unique that you can't find anywhere else.

### MYX Blend Bar

This place is unreal. If there is one makeup item that makes me feel put together and confident, it's lip gloss. When I came across this store I was blown away. You can create, make, and name your own lipsticks, lipglosses, etc. I always go with a nude/pale pink, so the amazing specialists helped me create my very own perfect color. I named my lipstick "Janelle Paige", and my lipgloss "Pretty in Pink", you can even send the link to your friends so they can wear your colors too.
